

Let's Discuss It 27 April 2013 – Next meeting 25 May 2013 (unless it rains on 18 May 2013, at which time the 25 May 2013 meeting will be cancelled to allow a Germantown group to have the library and meeting room in compensation for being rained out on the 18<sup>th</sup>)

The majority of the presentation today will cover Pinterest. A PDF version of the PowerPoint presentation is available on the Let's Discuss It section of the <http://www.tngs.org> web site.
