This list, with clickable links, can be found under the Let's Discuss It section on the <http://www.tngs.org> web site.

Please share your research trips, questions, and accomplishments since our last meeting.

If you didn't receive an email notice of this meeting, it could be that 1) I couldn't read your email address on the sign in sheet, 2) you changed your email address and need to let me know, or 3) I entered it incorrectly. Please let me know and I'll fix it!

GEDMatch/FTDna feud:

"We regret we had to make the decision to stop accepting FTDNA DNA uploads. FTDNA has threatened to sue GEDmatch over claimed privacy issues. We have been asked not to discuss the details, because it would be to FTDNA's disadvantage. Suffice it to say that FTDNA's own site seems to currently violate these same issues."
