"ANSEARCHIN'" NEWS is the official publication of THE TENNESSEE GENEALOGICAL SOCIETY: published quarterly in March, June, September, and December; annual subscription \$8.00. All subscriptions begin with the first issue of the year. Non-delivery of any issue should be reported to THE TENNESSEE GENEALOGICAL SOCIETY within two months of date of usual delivery if a second copy is to be supplied free of charge. Subscribers may submit one query each year for free publication; additional queries will be accepted on a "space available" basis. Contributions of all types of genealogical information will be accepted. We publish previously unpublished Tennessee-connected data, preferably that with pre-Civil War dates. All material for publication is subject to editing to conserve space. Every effort will be made to publish accurate material; however, neither THE TENNESSEE GENEALOGICAL SOCIETY, "ANSEARCHIN'" NEWS, nor the Editor can assume responsibilities for errors on the part of contributors. Corrections of proven errors will be published. Publishable and unpublishable contributions are put on file in our library for the use of our members. Books donated to our library will be reviewed in the earliest possible issue of the quarterly.

OVER THE EDITOR'S DESK

Many of our more recent subscribers are not familiar with the background of the Tennessee Genealogical Society and its quarterly magazine; therefore, it seems appropriate to give here a few of the facts.

The society started in 1952 as the Memphis Genealogical Society with 25 local members, but as the interest and numbers grew beyond the Memphis area, the name was changed in 1965 to the Tennessee Genealogical Society. We are in no way funded by the state, but are simply a group of volunteers who like to promote our favorite hobby. We earn our funds by publishing this quarterly, "Ansearchin" News, and offering for sale books which have been given to us by the compilers and which are listed on our back blue page. The profits from our labors are used to support and build our genealogical library, which now contains over 3700 volumes.

"Ansearchin" News, as it appears now, is the result of the ideas of nine different editors over the twenty-eight years of publication. There is a story told about its unique name. One of the early members called another whose maid answered the phone with the reply, "She ain't here. She's out ansearchin' ." From this coined word, the title was formed. For the first six years, the publication was called a bulletin and carried much local news on fewer pages. These were later combined in a second edition of 201 pages titled Volumes I-VI, 1954-1959, omitting some of the outdated news.

We greatly appreciate the kind comments we receive and welcome contributions of Tennessee-related material. The earliest dated material receives priority, and we prefer that it should be at least 100 years old.

Each subscriber is entitled to one free query per year; this must be fifty words or less, however we do sometimes allow a few more words to complete a sentence. Some subscribers send us several queries at a time, but I cannot recall having enough space to go back and pick one up at a later date. Information we cannot use in print is placed in our vertical files.

The Sevier Family Reunion will be held June 19-21 in Gatlinburg, TN. Contact James S. Corbitt, 118 Gardner Ave., Martin, TN 38237 for details. If we don't get this issue to you in time for this year, mark your calendar for two years hence; this is the 13th biennial reunion.

A newsletter from the Van Buren County Historical Society has been received announcing the formation of that group and inviting others to join. This county was formed in 1840 from Warren, White and Bledsoe counties, but has had no historical society until last September when this group began its meetings. They have made great strides in a very short time, probably because each of the members has undertaken a specific project. One has compiled a list of all Civil War veterans from the county. Another has copied every cemetery marker and supplied additional information on the families wherever known. Still another has collected information on all the post offices of the past, and others are delving into the history of railroads, schools, doctors etc. Annual dues of \$5.00 may be sent to Margaret Rhinehart, Treas. Box 128, Spencer, TN 38585.

In our last issue, Volume 28, No. 1, we printed in Family Gatherings the interesting story on Atkins lineage. The original information did come from Mrs. Knapp, as we reported, but we neglected to add that it was passed on to us by Marilyn Johnson Baugus, 3700 Whitehorn Cove, Memphis, TN 38134.

BOOK REVIEWS

By Herman L. Bogan, Evelyn D. Sigler, Eleanor W. Griffin, Edith LeDuke

EARLY SETTLERS OF BARBOUR COUNTY, ALABAMA, Volumes I and II compiled by Marie H. Godfrey. 1979. Hard back. 346 pp. Indexed. Order from Southern Historical Press, c/o The Rev. Silas Emmett Lucas, Jr. P.O. Box 738, Easley SC 29640. \$22.50

Barbour County was formed in 1832 from parts of Pike and Henry Counties, and from Creek Indian lands, but after the Civil War, parts of Bullock and Russell Counties were taken from it. Information in this book was gathered primarily from Barbour County probate records, census records and descendants of early families. Eighty-six families, alphabetized from Adams to Zorn, with the sources of information for each family are included. In some cases, official records from other states and counties other than Barbour were used in the family records. Here is much helpful information for those who have family connections in Barbour County.

THE DESCENDANTS OF NICHOLAS DIXON by Joel Dixon Wells. 1980. 44 pp. Soft Back. Surname listing. Order from the author, Rt. 2 Box 895, Hampton, GA 30228 \$11.00

This book was compiled as a family reference for descendants of Nicholas Dixon, who died in 1826. It is in looseleaf format, and the author plans to update information on both the descendants and the ancestors of this line whenever the information becomes available, either from family members or from research. Contents of the book include family group sheets, biographies, military records and old records of interest. Anyone interested is invited to contribute to each of these categories.

CASEY FAMILY HISTORY by Alvin Harold Casey and Robert Brooks Casey. 1980. Hard Back. 195 pp. Order from Harold Casey, 1002 Westwood Dr., Stillwater, OK 74074 \$16.50

This first edition from the Casey compilers begins with the descendants of Abner Casey, the Irish immigrant, who was born ca 1700 and immigrated to Virginia about the middle of the eighteenth century, moving on to South Carolina about 1760. The primary focus is on Abner's great-great-grandson, Ambler Casey, and his descendants. Information has been obtained from many sources, and references are listed with each descendant in order to aid future search. Suggestions for additions and corrections are welcomed. This history is enhanced with photographs, copies of records, charts.

MOONEY-GARNER ANCESTRY by George W. and B. Irene Mooney. 1980. Hard back. 133 pp. Indexed. Order from the authors, P.O. Box 10264, Glendale, CA 91209 \$15.00

In 1973 the authors found an old typewritten copy of a Garner family history, and this led to seven years of intensive genealogical research. They have located seventeen Revolutionary ancestors in the process of documenting their two families, but caution that they have left in a few minor errors for those who like to look for such things! The arrangement of material is unique and concise. Ninety-four families were catalogued and arranged alphabetically, with maternal lines merging into paternal lines at the proper place by a simple reference, [See Hanks] [See Ford] etc.

NEHEMIAH WOOD OF SHENANDOAH COUNTY, VIRGINIA by Leo G. Lawler and Hazel P. Lawler. 1980. Hard back. 419 pp. Indexed. Order from the authors, 1233 Seacobeck Street, Fredericksburg, VA 22401 \$18.00

When the authors started research on the Wood family fifteen years ago, it was not with any intention of publishing a book, but to learn something about the family,

Book Reviews (continued)

to find its place in history, and to meet some of its members. As time passed, more and more people sent in their family records, and so this publication was born. Especially interesting are certain wills and deeds which are quoted verbatim, and accounts of soldiers of Revolutionary and Civil Wars. This genealogy begins with William Wood, who obtained land in Stafford Co., VA in 1729 in that part of the county which became Prince William and later Fauquier County. Some allied lines are: Atwood, Austin, Franklin, Fridley, Hage, Lawler, Moody, Potter, Tharp, Truman, Young.

THE GOODSPEED BIOGRAPHICAL AND HISTORICAL MEMOIRS OF WESTERN ARKANSAS: Yell, Pope, Johnson, Ogan, Scott, Polk, Montgomery, and Conway Counties reproduced from an 1891 edition. 1978. Hard back. 626 pp. Indexed. Order from Southern Historical Press, P.O. Box 738, Easley, SC 29640 \$35.00

Each of the counties is described in great detail and every aspect of life there treated with care; biographical material on many, many families ends each county section. Early settlers of the county are named along with the date each arrived. Most of the county histories include the names and dates of judges, clerks, sheriffs, treasurers, coroners and state representatives. Many times referendes are made to citizens' state and county of birth, which gives valuable clues on what county to check in the state they came from. There is a wealth of material here; be sure and check the two separate indexes.

HENRY'S HERITAGE, A HISTORY OF HENRY COUNTY, ALABAMA, Volume II compiled by Dr. Hoyt M. Warren. 1980. Soft back. 392 pp. Index of primary family names. Order from Henry County Historical Society, P.O. Box 222, Abbeville, AL 36310 \$20.00

Information contained in this publication is a supplement to Volume I and a conscious effort has been made to record new and different facts about the county and its people. Persons from all over the county, state and nation have made contributions which are presented in this book. There is a wealth of material here to be gleaned page by page; which is recommended in addition to a quick check of the index. Character sketches and description of churches and members are extremely interesting. Also included are Henry Co. AL Marriage Records, 1821-1868, The United States Census in Henry Co. - 1840, and family charts on Henry County Pioneers.

WEAKLEY COUNTY, TENNESSEE MARRIAGES, 1843 - Sept. 4, 1863 compiled by the Weakley County Genealogical Society. 1980. 86 pp. Soft back. Alphabetized by surname of grooms. Brides indexed. Order from the Society, Attn: Martha J. Hutchens, P.O. Box 92, Martin, TN 38237 \$8.00

All marriage records prior to 1843 have been lost in Weakley County, but these transcriptions have been copied from records in the office of the County Court Clerk in Dresden, TN. The names of groom, bride and officiant are given with the date of the return or of the issuance of the bond. With 36 marriages per page, large clear print, and pleasing appearance, this book is well worth it's price.

BRADLEY COUNTY by Roy G. Lillard. 1980. Hard back. 133 pp. Indexed. Order from Memphis State University Press, Memphis, TN 38152 \$12.50

This is another of the Tennessee County History Series and chock full of information of all kinds. Included are the history of settlement, family names, churches, businesses, anecdotes, and an extensive bibliography. Very well written, this is a valuable volume for those who wish to become better acquainted with Bradley.

Book Reviews (continued)

OLD MARRIAGE RECORDS OF HICKMAN COUNTY, TENNESSEE, Vol.1 compiled by Duck River Chapter, DAR. 1979. 296 pp. Soft back. Indexed. Order from Mrs. Sibyl H. Head, Wrigley, TN 37098 or Mrs. Rubye Tatum, RR#1, Box 140, Lyles, TN 37098 \$14.00

This excellent volume is a compilation of marriages of both black and white citizens of Hickman Co. TN through 1894. Because of a courthouse fire in 1864, the marriage books began with 1868 and went through 1894. The records prior to 1868 were gathered from many sources: loose papers found in the courthouse vault, family Bibles, obituaries, census records, and two earlier publications, Court Records of Hickman County, Tennessee, 1833-1856 and Marriages of Hickman County, Tennessee by Leeper. This is a well-researched and helpful listing of early marriages that cannot be found in official records alone.

THE GEORGIA LAND LOTTERY PAPERS, 1805-1914 compiled by Robert S. Davis, Jr. and the Rev. Silas Emmett Lucas, Jr. 1979. Hard backs. Over 349 pages. Indexed. Order from Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$22.50.

The Georgia Surveyor General Department has many loose documents connected with the land lotteries of 1805, 1807, 1820, 1821, 1827 and 1832. Among these papers are the petitions of the fortunate drawers or their heirs for formal grants to land lots, letters by civil officials to correct misspellings of names, statements by Indian Agents concerning land with Cherokee Indian improvements, records of Cherokees who attempted to return to Georgia, and other miscellaneous papers concerning the lots and people who won them. Those records with genealogical value were abstracted for this volume. These papers were stored in three large boxes in no particular order, and at the time of publication of this book were not available for public perusal. Therefore the information contained here is of great value to Georgia researchers.

THE GOODSPEED BIOGRAPHICAL AND HISTORICAL MEMOIRS OF ARKANSAS, Reproduced from an 1889 Edition in the O.C. Bailey Library, Hendrix College, Conway, Arkansas. Indexed. 1978. Hard back. 112 pp. Order from The Southern Historical Press, P.O. Box 738, Easley, S.C. 29640. \$25.00.

This is a general history of Arkansas containing information about the geography, earliest settlers, politics, and state institutions, the formation of the counties, and their citizens. One chapter is devoted to the Sevier, Conway, Woodruff, Wilson, Hemphill, Barkman, Bowie, Faulkner, Hempstead, Trent, Williams, Shinn, Crittenden, Yell, Walker, Royston and Bates families. The extensive index contains many names connected with Arkansas before 1890, which makes the reproduced volume valuable to a genealogist.

ABSTRACT OF YALOBUSHA COUNTY, MISSISSIPPI WILL BOOK A 1808 - 1857 by C. Blair Morgan. 1980. Soft back. 20 pp. Order from the author, 3428 Northmoor, Memphis, TN 38128. \$6.50 including postage.

One hundred and eight wills are abstracted here, followed by additional facts about the individual when known. A wealth of information appears in many of these notes. The wills are arranged in alphabetical order according to the name of the testator. Mr. Morgan has done his homework on the early families of Yalobusha County. He says, however, that should a reader possess added information on those for which there are notations, he is invited to submit it for future editions. All future books will be indexed.

Book Reviews (continued)

A TAYLOR FAMILY by Louise Taylor. 1981. Soft back. 111 pp. Indexed. Order from the author, 644 Massachusetts Ave., N.E., Apt. 105, Washington, D.C. 20002. \$10.00 pp.

This work is about Mary Jane Basham and James Harvey Taylor of Johnson County, Arkansas and their descendants for three generations. It is an attempt to set down in written form what is generally known but not before recorded. The opening section provides some general information about the area where the original family lived; next is the information now available on the principals themselves and life in their household. Civil War buffs will treasure their oldest son's account of his military service in the Confederate Army. Sources are listed for all of the family records, and a detailed bibliography is included.

KENTUCKY, A HISTORY OF THE STATE, by J.H. Battle, W.H. Perrin and G.C. Knffin. Reprint. 1979. Hard backs. 331 pp. Indexed. Order from The Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$32.50.

This is Part II of the original edition of this history, and it deals with the counties of Ballard, Callaway, Fulton, Graves, Hickman, McCracken and Marshall counties, with a special section on Paducah. Each county is described as to boundaries, early settlers, establishment of courts, etc., including a list of officials through the years. Many biographies and family histories are given. One chapter discusses the Jackson Purchase, the land which lies between the Tennessee and Mississippi Rivers and makes up the western part of Kentucky. This is the region from which the above named counties were taken. A new and complete surname index has been added for this reprint edition which greatly facilitates the use of the book.

A PORTER FAMILY IN AMERICA by Homer W. Porter. 1980. Soft back. 103 pp. Indexed. Order from author, 6354 Elder Grove Dr., Dallas, TX 76232. \$17.50.

Starting with an old Porter family Bible and the fact that his grandfather was appointed Sheriff of Parker County, Texas in 1858, the author began to do earnest research after he retired from business. After accumulating a mass of information, he decided to publish this summary. Fifty-two pages are given to information on his own family. The remaining pages are filled with accounts of immigrant Porters, speculation on the kinship of some, and records of many other Porters who are indirectly, if not directly, related to the author's great-great-grandfather, Henry Hamilton Porter 1758-1850. He welcomes information on other Porter families.

ALL KNOWN CEMETERIES IN FAYETTE COUNTY, GEORGIA by Joel Dixon Wells and Donald R. Schultz. Soft back. 1980. 176 pp. Indexed. Order from J.D. Wells, Rt. 2, Box 895, Hampton, GA 30228. \$13.50.

With the cooperation of local genealogists and Historical Society members, the compilers have surveyed and listed every cemetery in Fayette County, Georgia that they were able to locate. They are continuing to collect information pertaining to anyone buried in Fayette County, and welcome additions to their listings or any corrections that may perfect the lists. Further information will be used to publish a supplement at no charge to those who have a copy of this book.

1860 FEDERAL CENSUS WAYNE COUNTY, MISSISSIPPI by Gwen Platt. 1980. Soft back. 32 pp. Indexed. Order from author, 314 Dolley Rd., North Little Rock, AR 72116. \$5.75.

This census enumerates 390 families. Families have been alphabetized for quick

Book Reviews (continued)

reference; also included is a numerical listing by dwelling number of all surnames contained in the alphabetical list. Use of the latter will allow the researcher to study neighbors for possible family connections. Both surnames and Christian names were copied as written on the original, so look under every possible spelling. A map showing Wayne County and counties formed from Wayne County is helpful as is a list of 140 people who appeared on the 1811 Tax Roll.

BLADEN COUNTY, NORTH CAROLINA ABSTRACTS OF EARLY DEEDS 1738-1804 by Brent H. Holcomb, C.A.L.S. 1979. Soft back. 81 pp. Indexed. Order from the Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$10.00.

Bladen County was formed in 1734 from New Hanover County, and at its formation encompassed everything west of the present county. Cumberland County was formed entirely from Bladen, as were Robeson and Anson, and part of Orange County once was in Bladen. Therefore the abstracts in this volume are especially informative, with many long chains of title going back to original grants and many references to Craven County, South Carolina. Three courthouse fires have destroyed many early records, a fact which makes this book particularly valuable.

THE BIOGRAPHICAL ENCYCLOPAEDIA OF KENTUCKY (OF THE DEAD AND LIVING MEN OF THE NINETEENTH CENTURY) Compiled and published by J.M. Armstrong and Co., Cincinnati, OH. 1878. New material copyrighted 1980 by The Rev. Silas Emmett Lucas, Jr. Hard back. Over 819 pp. Indexed. Order from the Southern Historical Press % The Rev. Silas Emmett Lucas, Jr., P.O. Box 738, Easley, SC 29640. \$42.50.

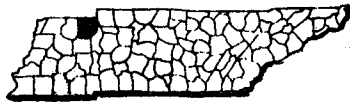

Kentucky has had many histories and biographies and other means of recording the early settlement and organization of the territory as a county of Virginia and as a state. Probably no state is more interesting from an historic point of view. From this state settlers moved north to the Northwest Territories, west to Missouri and the new lands farther west; and south and southwest to the new territories of Mississippi, Arkansas, and Texas. The famed 'Dark and Bloody Ground' is rich in biographical material. Many of the men who helped make history in Kentucky are given space in this publication. The biographies cover the period from the early pioneers to 1878, the date of this publication. Researchers will find much material here.

PIKE COUNTY WILLS 1826-1854 by Joyce Hill Gossett. 1980. Soft back. 38 pp. Indexed. Order from author, 2453 Constance St., East Point, GA 30344. \$7.50 + .50 handling.

Pike County, Georgia was formed in 1822 from Monroe County; Monroe was derived in turn from Indian Lands. Pike is midwestern Georgia in location. Included with Will Books A & B & part of C are certain administrative letters and guardianship records. The book reflects dates from 1823-1854 and approximately 358 individual names.

EARLY RECORDS OF HUNT COUNTY, TEXAS by Loraine Dodson Story. 1979. Soft back. 42 pp. Indexed. Order from Search-N-Print, P.O. Box 777, Farmersville, TX 75031 \$6.00.

Recorded here are the 1850 Census, 1850 Mortality Schedule, 1850 Slave Schedule, and 93 marriages from 1847-1851. These marriages are recorded in the back of Deed Book A and are therefore not readily available to the researcher who writes for information. The transcriber, a lifelong resident of the county, put in many hours on extremely difficult to decipher handwriting. These records will be a valuable aid and much appreciated by researchers with family in this region of the large state of Texas.

(In the 1850 printed census, Jesse also had Henry 18 and William 14, and his wife was listed: "Charity, 45 years old". In 1860 this family was not indicated to be negro or mulatto. None of them could read nor write.)

186-175 William WORLEY 26 TN, farm laborer, Sarah 21, George 6, Henry Harden 4, Benjamin 8/12. (Not indicated to be negro or mulatto, nor could they read or write. Obviously, this was a son of Jesse.)

192-181 Elizabeth WALLACE 61 KY, Melvina 26 TN, Sarah 19, Carlee 17. (Elizabeth was the widow of Leban Wallace, one of the younger sons of Elias and Mary Wallace. In the 1850 printed census, it was said she was born in Tennessee. I don't know what her maiden name was. In 1850 they had: James 19, Melvina 17, Merrill 13, Sarah 10, Carol 7. Laban, Jr. 30, a bachelor living a few doors away, married Rachel MITCHELL 30 Nov 1852 in White Co. Laban, Sr. was born in 1795 in Caswell Co, NC and was one of the executors of Elias' will in White Co. in 1821.)

197-186 Sharp R. WHITLEY 77 VA, farmer, Triphena 59 MA, Nancy BROWN 18, birthplace unknown. (It is very likely that Sharp was Hetta WHITE's father or grandfather.)

(A Milton Worley married a Sarah Brazel 8 May 1856 in White Co. Sarah, 26 in 1860, would be too young to be the mother of the older children. The 1850 printed census listed: Milton Worley 24, Margaret S. 23, Nancy 7, Rebecca Ann 6, Rutha 3, Pleasant F. 7/12, Finch 65.)

204-193 Sarah BURDEN 55 TN, William 17, day labor, Henry 13, Franklin 4, Thomas 2.

Sarah Webster 6, Delia MITCHELL 27, William L. Mitchell 12, Vance Mitchell 7, Waman L. Mitchell 1, William BOYD 22, farm laborer. (Avey was Avarilla WALLACE, oldest child of Elias and Mary Wallace and widow of Pleasant Waller. She was born in Caswell Co., NC and probably married there. Her father, Elias Wallace, was the progenitor of all or most of the White Co. Wallaces. He brought his family there around 1810 from Caswell Co, NC. His White Co. will was dated 6 Aug 1821, witnessed by Turner LANE and Henderson McFARLAN and recorded by the county clerk 25 Mar 1822. His widow Mary died, probably intestate, in 1837, with her son John as administrator of her estate. There was litigation between John Wallace and Pleasant Waller [Sr. or Jr. ?]--regarding certain of the slaves in the estate. Children mentioned in Elias' 1821 will were: Avarilla Waller, wife of Pleasant Waller; Sarah FRAME, wife of John Frame; Stephen Wallace; Milly BROWNING, wife of Daniel Browning; Jane BRYAN, wife of William M. Bryan; Laban Wallace and John Wallace, who were executors. Also daughter Mary Wallace, who never married [see Family #318]. Elias left his land "evenly divided" to "my two younger sons, Laban and John Wallace.")

209-198 E.M. MURRAY 49 TN, Martha 39, Elizabeth 17, Louisa 14, Bird 12 (male), Emily 10, Nancy 7. (An Edward P. Murray and Martha WHITE married 27 Feb 1840 in White Co.)

The Families of White County, Tennessee in 1860 (continued)

218-207 Reuben BAKER 32 TN, farmer, Kitty E. 27, William 5, Elizabeth 3, Matilda 2, Mary WHITE 14. (A Ruben R. Baker married a Catharine Elvira White 9 Nov 1852 in White Co. Kitty E. could be Catharine Elvira. If so, Ruben Baker and Ella White, parents of Francis Baker, born 12 Oct 1872, were probably the same couple. Mary White, 14 in 1860, was probably Kitty's younger sister.)

This William was a son of Stephen Wallace, born 1785 in NC, and Susan YORK, born 1787 in NC, and a grandson of Elias and Mary Wallace. William was born in Hickory Valley, White Co. and died there in 1876. About 1835 he married Mahala FELTON, daughter of John Felton and Rutha DOYLE. Mahala was born 18 Sep, died 15 Oct 1895, buried in Old Union cemetery near Sparta. Children of William and Mahala:

1. James L. Wallace, b 18 Apr 1836, d 25 Aug 1838.

"Callie" married Sally LEWIS after the War; there were three or four Sally (Sarah) Lewises in White Co. in the 1860s. 6. Stephen Monroe Wallace, b 27 Aug 1847, d 10 Apr 1926, m (1) Ida FRANKLIN (2) Florence GOFF. In the 1870 census: S.Mn. Wallace 23 TN, farmer, Ida 16 KY, Ann WHITE 14 TN. He served in the same outfit as his brother Callie but got sick at Corinth, MS and was discharged.

Living with them were William WADDLE 34 TN, farmer, and Elizabeth DAVIS 13. James Williams was the head of Family #69 with Amarilla ARNOLD 43 TN, F.M. Passons married Sealy [Celia] GRISSOM 27 Jan 1842 in Van Buren Co; see Family #313 in the 1850 Van Buren Co. census. William J.T. Passons served with the 16th Tennessee Infantry, C.S.A. and received Confederate Pension #12938. It would seem logical to me that his sons William and Major also fought in the War. In the 1870 census the children at home were: Louisa J. 20, James Monroe 18, Permelia A. 8, Martha J. 5. William D. had married Martha Jane WALLACE and was Family #52. Major was Family #51: Major Passons 24 TN,

In the 1870 census, Family #55 was: Amanda Dail 39 TN, John H. 11, Sarah M. 9, William L., Jr. 6. So you suppose he was killed in the War?)

The Isaac Whittenbergs were Family #312 in the 1850 Van Buren Co. census, living next door to William J.T. PASSONS. Family #312 also had Sarah E. Whittenberg 5 and Mahala UNDERWOOD 24 and her son Franklin 6.)

258-246 Simon WHITE 41 TN, farmer, Eveline 27, Mary 13, Maria 5, John B. 1, Abraham KEATHLEY 12. (There has to be a relationship between this family and Family #235 in this census: John White 67. In the 1850 White Co. census Family #370 was: Andrew Keathley 34 TN, Martha 29, Martha J. 9, Fountain E. 8, John S. 6, Dicy A. 4, Abraham 2. In 1860, Andrew appears to be dead and Martha is living with John White. Somebody please tell me.)

(Jesse Dodson married Mary Caroline EARLES 22 Mar 1855 in White Co.; his second wife. Her children by Jesse were Emily, Joseph, Mariah and Harvey. By the 1870 census they also had Martha 8, Lee 7, Owen 5, Susan 3 and Mack 1. At the 1850 census, Family #295, Jesse was evidently a widower, 35, with Rutha BRILES 18 keeping house for him and Stanfield Dodson 12, America 10, Gillaspie 8, Crockett 6 and William 4. Stanfield in 1850 and Robert in 1860 are probably the same man. I don't know yet where Crockett was in 1860; probably working for some other family in White or one of the adjoining counties, but he showed up again, because he served in the 25th Tennessee Volunteer Infantry, C.S.A., and received Confederate Pension #2676.

FAMILY GATHERINGS

Compiled by Jessie Taylor Webb

ROY FAMILY RECORDS - From Mrs. Velma J. Thompson, Rt. 1, Box 208, Senatobia, MS 38668.

As a child about fifty years ago, Mrs. Thompson found a yellowed page with faded handwritten records of the Roy family in an old log house on what was known as the old Dr. Roy Farm west of Millington, TN. The record says:

FAMILY RECORD

M.L. ROY - born 6 July 1590

M.A. ROY - born 20 Dec. 1596

HENRY L. ROY - born 1 Jan. 1615

JOHN B. ROY - born 22 June 1621

MARY A. ROY - born 18 Feb. 1617

JAMES B. ROY - born 16 Aug. 1623

LUCY C. ROY - born 20 Apr. 1619

JOSEPH B. ROY - born 23 Nov. 1625

DEATH

MATILDA A. ROY Died 13 Sept. 1599

MARRIAGES

M.L. ROY - - - - -

The balance of this line is obliterated by stains and the penciled record has been rubbed too thin to read, but it is possible that the bride's last name ended in "- - -ton" and that the year is 1614.

Although this piece of paper is very old, it does not seem to have been written in the seventeenth century. It is probably information taken from an older bible record and was the property of M. L. Roy who appeared on the 1840 Federal Census of Shelby Co TN (A.N. Vol. 16, p. 116.)

Annice McDaniel Bolton of Millington gave this information on the ROY family:

MEREDITH L. ROY, born 1806 in South Carolina, became a minister in Shelby Co., Tenn. performing marriages in the 2nd Civil District until 1879. In 1888 he owned 129.74 acres of land on Bear Creek, Herring Hill Road with the CRAINS, CORBITTs, DUNNs, MILLINGTONs, YORKs and McDANIELs for neighbors. He married on 9 Jan. 1833 in Dickson Co., Tenn. - SUSAN GENTRY, born 1813, died 1896 in Shelby Co., Tenn. Their children were:

1. JOHN ROY - born 1835 in Shelby Co., Tenn.
2. WM. T. ROY - born 1836; m1 - FRANCES J. MUST (?); m2 - MARTHA TAYLOR; m3 - SUSAN McFADDEN TURNER.
3. ELIZABETH ROY - born 1838 in Shelby Co., Tenn.; died 1892 and buried in Crain Family Cemetery.
4. FRANCES ROY - born 1840 in Shelby Co., Tenn.; m-_____CLARIDGE.
5. JESSE A. ROY - born 1842 in Shelby Co., Tenn.
6. MEREDITH L. ROY, Jr. - born 1845; died 1903 in Miss.(?)
7. ALFRED ROY - born 1849.
8. DAVE ROY - born 1852.

THE ELUSIVE SIDON HARRIS, Sr. - from Virginia Smith Parker, P.O. Box 837, Raymondville, TX 78580.

SIDON HARRIS, Sr. was born about 1770, probably in Virginia. He made an affidavit in 1855 in Madison Co., Tenn. stating he enlisted in the War of 1812 from Overton Co., Tenn. and at the time of the making of the affidavit was 75 years old and living in Haywood Co., Tenn. In 1858 he was granted 160 acres of land for his service - location unknown. The 1820 census of Overton Co. lists him with both male and female children.

Family Gatherings (continued)

The 1830 census shows him in Madison Co., Tenn. with wife and four females between age of 20 and 30. Only two of his children are known:

1. JOHN HARRIS, born about 1812/13 probably in Tenn. (or KY), came to Texas with David Crockett as a member of Tennessee Mounted Volunteers, and died 6 March 1836 in the Seige of the Alamo. Amelia WILLIAMS in her thesis published on the "Seige of the Alamo and Its Personnel", states David Crockett and John Harris were first cousins, but proof of this is lacking. John Harris was a single man and could have been named for David's father, John Crockett.
2. SIDON H. HARRIS, born 12 Nov. 1820 in Tenn., married on 9 Aug. 1842 in Pontotoc Co., Miss. Amanda Caroline ATKINSON, daughter of Samuel Washington and Nancy Jordan Atkinson. She was the granddaughter of Samuel and Sarah WASHINGTON ATKINSON of VA. and NC and Thomas and Priscilla APPLEWHITE JORDAN of VA and GA. In 1850 Sidon and Amanda were in Lauderdale Co., Tenn. on their way to Texas. About 1852 they settled in Caldwell Co., Texas where Sidon died in 1861 and Amanda in 1866. Both are buried in the Harris family plot in Caldwell Co., Texas.

In Daughters of Republic of Texas Library, San Antonio, a WILLIAM HARRIS was found who was said to be a younger brother of Sidon, Sr. In the 1826 census of Atascosita, Texas there is a William, age 44, born in VA, wife - Anna HARMON, age 38, born in LA, 8 children all born in LA. This William is said to have been killed during the Civil War at Cold Harbor, VA.

Sidon, Jr. probably went to Texas to take charge of the bounty land given to the heirs of John Harris as he acted as administrator of this brother's estate after his arrival in Texas.

All records seem to be of the opinion that Sidon, Sr. married a CROCKETT or a HAWKINS, which would make her a sister of John Crockett or Rebecca Hawkins Crockett, parents of David. Can anyone help on this, or the parents of Sidon Harris, Sr.?

ALEXANDER-MARTIN FAMILY BIBLE - Contributed by Robert Young Clay, Richmond, VA.

This Bible was owned by Mrs. George McClure, 1539 Laurel Ave., Knoxville, TN. Mr. Clay copied it about 1960, but neglected to ask the geographic origin of the family. Mrs. McClure was the landlady of a friend who brought the Bible to his attention. He believes Mrs. McClure is now deceased.

GRAINGER COUNTY PETITIONS

To the Honorable the General Assembly of the State of Tennessee

The petition of a number of the inhabitants of Grainger County humbly Representeth:

That it is believed much inconvenience will result to the Citizens of said county from the operation of an act recently passed by your honorable Body which compells the Register & Rangers of the respective counties in said State to remove their offices to, & hold them at their respective court-houses.

That at a Court held for said county at the court-house in the town of Rutlage in february last the Register of said county tendered his Resignation to the court which was accepted - That although there were sundry persons residing in said Town well qualified to fill the office of Register with ability, yet not one could be induced to accept said office who resided at the court-house - That the said office is one of high importance to the public, yet the fees of office are so inconsiderable as not to authorize a person comfortably settled on a farm in the country to remove to town to attend to the Duties of said office:

We the undersigned your memorialists therefore pray the premises considered that you will be pleased so to modify the abovementioned act as to permit the Register & Rangers of Grainger county to hold his offices at any place in said county Provided the distance from the Registers office to the Court-house does not exceed five or six miles.

And your Petitioners as in Duty bound will ever pray, etc.

Early Records of Grainger County, Tennessee (continued)

This record is torn apart in several places and a few names on the fold of the paper have been lost. Occasionally several signatures are written in the same hand, but no X marks are given. Some names are very faded, some are blotted with ink, and some have been crossed out or removed by erasure. Spellings vary, and i and t are sometimes not dotted or crossed; and like many modern signatures, some are simply illegible. In most cases we have not tried to second-guess, but have copied here the most literal transcription possible for us. BFW

To the Honorable General Assembly of the State of Tennessee:

We the undersigned Citizens of Grainger and Claiborne counties humbly represent that the Turnpike road leading to Kentucky crossing Clinch Mountain at the three stone gap can be much amended by turning to the left at or near the house of Dawson Cheek on the north side of said Mountain....coming....present(?) Road at the town of Tazwell, the ground over which the road would pass is much leveller, an excellent and safe ford in Clinch River, clear of rocks, & only one-half mile the furthest, by total measurement.

(Your petitioners further?) represent that the present Road is very broken full of large rocks, a bad narrow ford in said river which compells most of the travellers to ferry the River when it can be forded at the other crossing with perfect safety, the hills are so steep and full of Rocks that it is almost impossible to make a road in many places sufficiently wide for waggons to pass each other should they meet in those narrow places, which are in pl(aces?) at least one (quarter of a mile...?) ...your honorable body to pass an act authorising the commissioners of said road or a majority of them to view the two roads & direct the road the best way for the public - And your petitioners as in Duty bound will ever pray.....
