THE PRESIDENT'S LETTER

Dear Members,

I would like to congratulate you as being members of a growing organization. In reviewing the reports made at our January 20 business meeting of 1968 accomplishments, I realized how much progress is being made by your organization.

The librarian's report indicated that we had purchased and received 122 books. We were given for review 67 books. We subscribe to 12 quarterlies and have received 34 gift quarterlies, either entirely or in part. During the year, we placed in the Cossitt Library Genealogical Department 86 books and 29 quarterlies. These, of course, are available for anyone having access to the library.

Due to the support received from the 800 members of the Tennessee Genealogical Society, we are able to spend some \$1,000.00 each year to help accomplish the objectives of this Society. The objectives of the Society as covered in our Constitution are as follows:

"For the purpose of creating and maintaining an organization and a society for the study and investigation of genealogical history and genealogical records, and for the further purpose of receiving and collecting genealogical and historical records and depositing and preserving records in libraries and archives."

I am sure most all of you are familiar with the above. I feel it never hurts to be reminded of what we are attempting to accomplish through the Society.

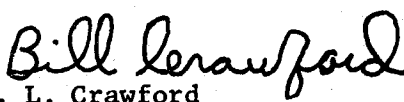

The budget as approved in the January 20 meeting calls for an expenditure of \$8,471.09 during the coming year. We are at present sold out of the 1962 and 1963 issues of "Ansearchin'." This budget provides for reprints for these two issues which will be available at a very early date.

We were very fortunate to have as our speaker the last meeting Miss Mary Davant of the Cossitt Library Genealogical Department who outlined for us the most recent acquisitions of books, maps, etc., that will assist in our research. It is always a pleasure to have Miss Mary with us since she always gives us very valuable information.

I hope all of you are keeping the dates of August 28, 29 and 30 open for our Seminar. We have obtained Mr. John I. Coddington, Bordentown, New Jersey, as one of our Seminar speakers. The members who have heard Mr. Coddington's presentation recommend him very highly to us. We are working to get the second speaker which we will announce at a later date.

We are cooperating with Memphis, Tennessee, in their celebration of the Sesquicentennial of Shelby County. The June-September issue of "Ansearchin' News" will be devoted generally to Memphis and Shelby County. We will concentrate on records of the earliest inhabitants of Shelby County and Memphis, as well as Church records, Newspaper articles land records, biographical and historical sketches dating from 1819 through 1850. We will welcome any contributions members might be able to make to this period of Shelby County history.

Sincerely yours,

W. L. Crawford
President

NOTES FROM THE EDITOR'S DESK

Your new Editor wishes to thank all the members of The Tennessee Genealogical Society for their confidence and support. A novice in the field of editing, she is nonetheless interested because of lack of experience. A tenacious genealogist, she has for many years been involved with the tracing of family histories, locating court records and attempting to get them into print so that all may have access to them. The challenge, therefore, to continue the high standard set by her predecessors, has been accepted with enthusiasm. We hope that our publication will provide each of you with sound data which will assist in completing your own lines. We shall continue to spread our findings over many sections of the state. Contributions of family records, cemetery records and court records are not only acceptable but a highly necessary part of the members' participation. Suggestions for improvement in the quality of data published are also welcomed. Our goal is to establish such rapport between editor and reader that the subscriber becomes impatient waiting for the next edition. With your help and your contributions, this can be achieved.

Aurora C. Shaw, Editor of The Southern Genealogist's Exchange Quarterly, announces plans for the sixth Annual Workshop to be held October 17-18, 1969 in Jacksonville, Florida. For information, write S.G.E. Society, Inc., P.O. Box 2801, Jacksonville, Florida 32203. Mr. John I. Coddington of New Jersey and Mrs. Harry Joseph Morris of Texas will be guest speakers and panel participants. Mrs. Shaw reminds her readers that the 1830 census of Tennessee has been appearing in The Southern Genealogist's Exchange Quarterly for several years. Write her for detailed information.

Mr. P.W. Filby of The Maryland Historical Society, 201 West Monument Street, Baltimore, Maryland 21201 sent a copy page to appear in the May issue of The Maryland Historical Society Magazine announcing arrangements with Mr. Wister Brown, President of Microsurance, Inc. of Philadelphia, Pennsylvania, whereby all Maryland tax lists will be microfilmed and published by Rhistorical Publications, a division of that company. Because of the absence of any census records for Maryland between 1776 and 1790, the publication of the tax list of 1783, the most complete of Maryland, will prove an invaluable aid to economists, historians, genealogists and sociologists. The plan is to make hard cover publications of the actual tax lists which give each householder by name, the exact number of his dependents under and over age 16, the number of his slaves, the type of taxable property, and the value. An index will be included where they already exist, and there will be notes by the Society's staff concerning the nature of the document and any peculiarities or omissions in the original text. Initially the tax list for 1783 for Baltimore and Harford Counties will be issued in two volumes. Approximate prices are \$30.00 a volume pre-publication, or \$35.00 after June 1969. Orders and inquiries may be sent to the Librarian of Rhistoric Publications, 302 North 13th Street, Philadelphia, Pennsylvania 19107. Any organization or person holding tax lists or indexes in typescript or other form are asked to communicate with the Society as quickly as possible.

Mrs. Dorothy Ford Wulfeck, Genealogy Editor, the Virginia Gazette, 51 Park Ave., Naugatuck, Connecticut 06770 advises us of her library loan service system whereby nearly 175 books—genealogies, county records, local history—on Virginia, Kentucky and Missouri may be rented. Send 25 cents (coin or stamps) to above address for a complete list of books available.

We are grateful to have been the recipient of The Clay Family Register, published by The Clay Family Association, P.O. Box 35254, Houston, Texas 77035. Their quarterly has been placed in selected libraries having genealogical sections. The Association is now actively seeking new donee libraries. Their aim has been to assist all researchers of Clay and Allied Families and hope, of course, to get a

REMINISCENCES OF THE EARLY SETTLEMENT AND EARLY SETTLERS OF McNAIRY COUNTY, TENNESSEE BY GEN. MARCUS J. WRIGHT and EARLY HISTORY OF HARDIN COUNTY, TENNESSEE BY P.M. HARBERT (Reprint. Order from C.L. Majors, McNairy County Historian, Ramer, Tennessee 38267. Price: \$4.95.)

Reviewed by Mrs. Sam R. Atcheson

A book of personal reminiscences from many former residents who write with intimate knowledge of achievements, personalities and unusual eccentricities of the inhabitants, making them more alive characters than historical figures.

It contains much information about the early 1800's and formation of McNairy County which is a difficult time to pin-point because of the scarcity of Tennessee records in the State Archives and the fact that this time is before the Civil War Military Records and too late for Revolutionary Records. I wish it were more comprehensive. The first part of the book is indexed by family names giving over 300 listings, but not including many allied family names which are in the individual family histories. Each history must be read to fully grasp the complete data furnished. In reading the different family sketches, much of the intimate feeling is received and many more names are learned.

The second part is not indexed, but it clearly depicts the forming of Hardin County and genealogical searchers will find names helpful in their research. The reading is interesting and the researcher is entertained while digging for dates and names.

CEMETERY RECORDS OF MONTGOMERY COUNTY, TENNESSEE, VOLUME I (Compiled by Darnell, Jones, Alley and Hogan 1968. Available from Mrs. Sinclair Darnell, 638 Madison Street, Clarksville, Tennessee 37040. Price: \$5.50.)

Reviewed by Mrs. James A. Murphy

Data for 181 family cemeteries and country churchyards with directions for locating, also a large map enclosed showing locations—a good guide to use with regular road maps; printed on good paper, flexible paper cover, 82 pages indexed by surnames.

There is a great deal of information here for people seeking their ancestors buried in Montgomery County. This kind of work is sorely needed in other areas since these family graveyards are fast disappearing and unknown to many seeking burial spots not in present-day town or city cemeteries.

GENERAL SAMUEL G. SMITH (By Jonathan Kennon Smith, M.A. 1968. Manuscript copy. 31 pages. Indexed.)

Reviewed by Mrs. Richard T. Doughtie, Jr.

The political problems of the struggling state legislature of Tennessee come to life in this delightful biographical study of General Samuel G. Smith. Mr. Jonathan K. Smith, the biographer, has contributed greatly to the understanding of these stirring times, the third and fourth decades of the nineteenth century. This chronicle vividly portrays Samuel G. Smith's years as Secretary of State, and his struggle with the banking interests. His close associates were President Andrew Jackson and the Representative from Tennessee, James K. Polk. This manuscript has superb footnotes and references.

SOLOMON GERON AND HIS DESCENDANTS, 1761-1968 (By Jewell Daphne Geron Woodard, illustrated by Oneida Uzzell, 814 West Terrell Street, Fort Worth, Texas 76104. Published 1968. 650 pages. Indexed. Price: \$15.00.)

Reviewed by Mrs. Richard T. Doughtie, Jr.

Mrs. Woodard is to be complimented on compiling such an authentic record on the family of Solomon Geron (1761-1841), of Roane County, Tennessee, and his descendants. This reviewer was pleased to find a complete authentication of dates and facts concerning each descendant to the present day. Many deeds, marriage licenses and other documents are reproduced in this book relating to the times and places of the early Geron (Gerron) families. Sixteen charts preceding family sections help to identify the individual and his descent. Some of the allied families are: Owens, Hines, Bullard, Allred, Byram, Carlile, Carter, Cowan, Craft, Culbert, Eliot, Haley, Harrison, Hembree, Holland, Johnson, Kirkpatrick, Martin, Parker, Patterson, Rigney, Sumpter, Yeatman and Shockey.

DESCENDANTS OF RICHARD COCKE (c.1600-1665), VOL. I OF COCKES AND COUSINS (By Leonie Doss Cocke and Virginia Webb Cocke, Box 7281 Reynolda Station, Winston-Salem, North Carolina 27106. Published 1967. 317 pages with supplement. Indexed. Price: \$9.50.)

Reviewed by Mrs. Richard T. Doughtie, Jr.

Eight pages of reference material and references as to the source of records for each family make this a valuable addition to genealogical libraries. In the foreword, the compilers state, "We have attempted to co-ordinate available information, both published and unpublished, . . . and to compile as many names and dates as we can in this volume. Later, we hope to tell more about some of those listed as well as to acquire information about descendants whom we have not yet reached." They certainly accomplished their goal with this first volume, and have generously added a Supplement for corrections and additions prior to publication.

TENNESSEE COUSINS (By Worth S. Ray. Reprinted 1968 by Genealogical Publishing Company, 521-25 St. Paul Place, Baltimore, Maryland 21202. 811 pages. Indexed. Price: \$20.00.)

Reviewed by Mrs. Richard T. Doughtie, Jr.

Long an important reference work for genealogical studies of Tennessee, this work of Mr. Ray's is now in its 4th printing. It contains a large amount of genealogical and historical data covering not only Tennessee but also the Carolinas, Georgia, Maryland, Virginia, and other Southern states. This printing by the offset method is clear and easy to read. The excellent 27-page index adds to the importance of this genealogical encyclopedia of Tennessee.

DESCENDANTS OF MARK SHUMATE OF CLAIBORNE COUNTY, TENNESSEE (Compiled by Mrs. Marian Carter Ledgerwood, 1655 Imperial Crown, Houston, Texas 77043. March 1, 1968. Manuscript copy. 30 pages. Indexed. Price: \$4.50.)

Reviewed by Mrs. Richard T. Doughtie, Jr.

This is a well prepared manuscript record of Mark Shumate (1760-1837), his wife Deborah and their thirteen children. He is believed to have come from Virginia appearing in 1806 in Claiborne County, Tennessee and remaining there until his death. Most of his descendants left Tennessee and spread into Kentucky, Illinois, Arkansas, Missouri, Kansas, Oklahoma, Texas, California, Idaho, and Oregon. Mrs. Ledgerwood has used excellent references for each family, tracing some for five generations. An 11-page index adds immeasurably to this manuscript.

NOTES FROM THE EDITOR'S DISK (Continued from Page 2)

feedback of Clay data from interested readers. The Tennessee Genealogical Library has a file of these beautiful volumes in its private collection. Copies may also be found in Cossitt-Goodwyn Library in Memphis.

It is good to know that "Ansearchin'" News has been classed as one of the better genealogical periodicals by Mr. George Ely Russell, C.G., Editor of Genealogical Periodical Annual Index, 2906 Stonybrook Drive, Bowie, Maryland 20715. Our volumes indices appear yearly in this publication which makes us more than a little proud.

A letter from General Services Administration, Washington, D.C., 20408, advises all persons planning to use their services for Revolutionary War pension and bounty-land warrants that these records are being microfilmed to be placed in two files. As soon as work begins on the project, it will be necessary to discontinue reference service on successive segments of the files while they are being arranged, described and filmed. The files, arranged alphabetically, will be used beginning with the letter A. Certain segments will be closed for up to six months. The minimum period is expected, however, to be ninety days. During this closed period, none of the files from that segment will be made available to a researcher nor will any documents be copied.

The World Conference on Records to be held in Salt Lake City, Utah August 5-8, 1969 promises to be the outstanding meeting of the year for Archivists, Librarians, Historians and Genealogists. It will include special reports, workshops, seminars and a class in Heraldry celebrating the 75th Diamond Jubilee (1894-1969) of The Genealogical Society, Salt Lake City. Information regarding the convention may be obtained from the Society.

WEATHERLYS FROM NORTH CAROLINA TO TEXAS

(By Mrs. Joe Ericson, 1614 Redbud Street, Nacogdoches, Texas 75961)

The information for this sketch began with a photostat of the Bible Record from the old Job Weatherly Bible. The 1790 census was consulted as well as the 1850 and 1860 census of Nacogdoches Co., Texas. Marriage records were taken from the Bible and from the records in the Nacogdoches Co. Court House.

- I. Job Wetherly, the immigrant ancestor, was born in 1761 in Scotland. His first marriage was about 1782 to Mary Watter; and four children were born to this union in Scotland.

SMITH AND WILSON COUNTY, TENNESSEE PETITION - 1801

Abstracted by the Editor. No date was found on this petition; however, Jackson County was formed from Smith in 1801 and White County was formed from Smith in 1806.

To the Honorable the General Assembly of the State of Tennessee. The subscribers, Inhabitants of Smith and Wilson Counties, respectfully represent, that a large portion of the Citizens of said Counties, suffer much Inconvenience on account of the Enormous extent of said Counties, which throw many of them to the Distance of Sixty or Seventy miles from the places of Holding Courts, Elections & with bad or no roads.

Wherefore we submit this our petition, That your Honorable Body, would so reduce the Limits of Wilson County, that its Eastern Boundary shall be a line beginning at the Roaring Spring at the upper end of the first Bluff on the South Side of Cumberland river below the mouth of Goose Creek & running South to the Indian Boundary & that the balance of Wilson County together with Smith County be made into two separate Counties, the Lower of which to be confined to Constitutional Limits.

FIVE GENERATION CHARTS

The Tennessee Genealogical Society can supply five generation charts for the family lines you are researching. If you would like charts, they may be ordered, two for five cents, with a stamped, self-addressed envelope.

MASTER SURNAME INDEX

The Master Surname Index of The Tennessee Genealogical Society contains several thousand cards representing individuals found in the family trees of many of our members.

Won't you please help all of the members by sending us a 3 x 5 inch file card for EACH member of your family tree?

These cards will be indexed and added to our file to assist everyone working on a similar family. Send as many cards as you wish. Our file is not restricted to any particular locality, but covers families who lived in various European countries and in every state of the United States.

Please follow this outline in preparing your cards:

| | Surname | First Name | Middle Name | M or F |
|------------------------|---------|------------|-------------|--------|
| b. | _____ | Where | _____ | _____ |
| d. | _____ | Where | _____ | _____ |
| m. | _____ | Where | _____ | _____ |
| Name of Spouse: _____ | | | | |
| Son/daughter of: _____ | | | | |
| Your name _____ | | | | |
| Address _____ | | | | |
| City, State, ZIP _____ | | | | |

Cards should be typed or printed. Be sure that your name and address do not cover the circled area at the lower center of the card. That space will be drilled to accommodate the rods of the file drawers.

Each card should contain at least one date and one place, even if they are estimated or guessed. This will enable us to determine that a person who lived in one area in the 17th Century is a different person from someone (with the same name) who lived in another area in the 19th Century.

Please mail all cards and requests for information WITH A STAMPED, SELF-ADDRESSED ENVELOPE to The Tennessee Genealogical Society, Post Office Box 12124, Memphis, Tennessee 38112.

CEMETERIES OF WHITE COUNTY, TENNESSEE

Contributed by Mrs. H. K. Renfrow, 1360 Edson Drive, Beaumont, Texas 77706

OLD ROBERTS CEMETERY: Located approximately four miles northwest of Doyle, and about a mile northwest of the intersection of the Old Kentucky Road and F. Ferry Road. This is way back in a pasture, neglected and overgrown. Many of the markers are hand carved rocks.

| William Swindle d. 1917, 76 yrs. | D.V. Roberts 1886-1889 (Many others, difficult to read.) | 12 July 1882 |

PHILADELPHIA CEMETERY: Located on beyond Roberts Cemetery, on road, condition not too bad.

| R.H. Swindell 1876-1938 | Rebecca Swindell 1848-1930 | Asberry Swindell 1869-1904 |
| Monroe Swindell 1846-1904 | Garrett Swindell 1865- (?) | |

OLD JERICO CEMETERY: Located about a mile and one-half north of Quebec, near Gum Springs Mountain and beyond New Jericho Cemetery. Very neglected and too overgrown to read most of the markers. This appears to be a huge cemetery; but the weeds were so high, it was impossible to get into it. Last burial there was 1948. Many Dentons, Andersons and McBrides buried here.

CEMETERY IN PASTURE: Located about one-half mile beyond the intersection of the Old Kentucky Road and F.F. Road. This is on land originally owned by Cason Swindell, Sr. It used to have a fence around it and a number of graves. Now, only three have markers and can be read.

To Your Honorable the Judge of the Court of Chancery, holden at Knoxville for the 2nd Judicial Circuit....your Orator, Jesse Powers, a citizen of Anderson County. Tennesseethat a certain Robert Tivis a citizen of Kentucky, some years past...claiming a considerable quantity of land in...Anderson County...sold to your Orator...500 acres ...\$300....in Wolf Valley...on Hinds Creek. Beginning on the top of the Chesnut ridge...to Psalter's line...paid the first \$100....other two payments to be paid in property...(Powers held the property, Tivis did not come for it)....Powers built buildings, fences, etc. on the land...value increased...sold the land to a certain James Moore. By the fall of 1815 Moore had paid \$300.16 part of the consideration money...in Oct. 1815 James Moore and your Orator went to the house of the said Robert Tivis in Madison County...Kentucky for the purpose of procuring a deed.... offered said Robert money which he refused and would not make the deed...(Robert Tivis would only settle for the notes held by Powers on Moore of \$284. and the bond for title which Powers held on him, letting Powers hold \$116. for payment to him for the improvements which Powers had made on the land and to let the cost of the improvements be arbitrated by Curd Cox and Joseph Overton of Anderson County and one other chosen by Powers.)...Your Orator was old and feeble....said Robert Tivis did not come on the set time to Anderson County for the settlement....Cox and Overton refused the arbitration...your Orator procured John Rhea and Robert Riden citizens of Anderson County to take their places with Boston Nosler for his choice...(The improvements of Powers were valued by the men at \$305.07 3/4 on 27 Nov. 1815 and sworn to before Arthur Crozier, Justice of Anderson County.) Your Orator brought suit for the difference of the \$116. and the valuation...it came to Feb. Term of Circuit Court in Anderson County...Powers won the verdict...Robert Tivis by the agency of his son... procured a writ to issue against your Orator and James Apherson his security....the said Robert Tivis has lately departed this life and his two sons, Joseph H. Tivis and Cirus T. Tivis are his executors, they are citizens of Kentucky...they have revived the suit in their names....said Joseph and Cirus be required to answer...

Exhibit A Article of Agreement. ...10 Oct. 1815 between Robert Tivis of Madison County...Kentucky and Jesse Powers of the County of Lee and the State of Virginia....

Answer of Joseph H. Tivis, filed 28 Dec. 1825...that he is sole acting executor of the estate of his father, Robert Tivis, deceased...Cyrus his brother declined to act.. pleads the statute of limitations...this respondent was but a lad when the sale was made... a Mr John Cox went from Kentucky to Tennessee for his father to get the property due from said Powers, but that he failed in getting it...he remembers that he was present when said Powers and some of Moore's family came to his father's in Kentucky... prays the bill be dismissed...

Pryor Lea was solicitor for respondent. Joseph H. Tivis made his answer before William Graham, Justice of Claiborne County, Tennessee, 24 Dec. 1825.

The court decreed that the Tivis estate owed Powers the difference between the valuation put on his improvements and the \$116. which he already held, with interest from

27 Nov. 1815 which amounted to \$163.08 plus costs by him expended.

Jesse Thompson vs Richard G. Waterhouse

Thompson made bond to prosecute his case, 6 June 1826, with John Brown and Richard Lewallen, his securities.

To the Honorable the Judge of the Chancery Court held at Kingston....your Orator, Jesse Thompson of the county of Rhea...Tennessee...that on 18 May 1789 a patent Grant was issued by North Carolina to Ephriam Dunlap for 600 acres in what was then the County of Greene, but now the County of Rhea...on the north side of the Tennessee River on the west fork of Whites Creek near the head of said fork....On 6 April 1810 Henry Dunlap and others, heirs of said E. Dunlap...sold said tract to one John Thompson. On 13 Aug. 1816, John Thompson sold 200 acres of said tract to your Orator, and on the 18 Mar. 1820 John Thompson sold to your Orator the remainder of the tract...As well as he remembers a grant was issued from North Carolina to Stockly Donalson calling for 19000 acres...covers almost the whole of that part of Rhea County on the north side of the Tennessee River. The title in said 19000 acres is claimed by one James G. Martin by regular deeds from S. Donalson...a certain Richard G. Waterhouse a citizen of Rhea County...pretends to be owner of said 19000 acres by deeds purporting to be made by S. Donalson to one Josiah Danforth....believes deeds to Danforth are forged. Said Waterhouse also pretends to derive title through one John Henry....deed purporting to be executed by Donalson to Henry. Your Orator also believes...deed to have been forged by one William Henry...to defend himself against Waterhouse, your Orator on 3 Feb. 1824...procured a deed from James G. Martin for so much of the 19000 acres as lies within the bounds of the grant to E. Dunlap...Waterhouse caused an action of ejectment to be instituted in Rhea Circuit Court against John Thompson...venue changed to Circuit Court of Knox County...Feb. 1813 the said court found a verdict for Thompson. (Four ejectment suits by Waterhouse related, the last in McMinn County by change of venue.) Your Orator states that his corner has been proved by Alexander Outlaw one of the chain carriers...prays an order that said Waterhouse be restrained from any further action of ejectment...

T. L. Williams attorney for complainant.

Answer of Richard G. Waterhouse, filed 27 Nov. 1826...that the Dunlap grant lies where complainant alledges this respondent is unwilling to admit...the 19000 acres grant covers the land in possession of complainant...does not admit that Henry Dunlap and others are heirs of Ephriam Dunlap the grantee...admits the ejectments...at the time of the trial Feb. 1813 respondent was absent on a campaign against the Seminole Indians, under the command of Col. John Williams....said Jesse Thompson is the son of John Thompson...At the trial in 1813...it was had in the absence of his counsel, Pleasant M. Miller...tried by one William Kelly with whom, he believes Miller had left his papers...this respondent had been harrassed with thirty three actions of ejectments by James G. Martin in 1825...suits with Martin were settled in favour of respondent...

Waterhouse swore to his answer in Rhea County, Tennessee on 24 Nov. 1826 before Jonathan Fine, Justice.

Jesse Thompson dismissed his suit June Term 1827.

(NOTE: Among the loose papers of Roane County records is a deposition of Sarah Dunlap, aged 73, taken in Blount County, Tennessee, 3 Aug. 1819, which discloses that her husband, William Dunlap, deceased, was the brother of Ephriam Dunlap, a lawyer in Tenn. who had lost one leg. She gave her children by William Dunlap as Henry, Deborah who married John Endsley before 1800, John, Sarah and Ephriam. Jesse Thompson was present as a "said defendent" at the taking of the deposition.) (Continued Next Quarter)
