THE PRESIDENT'S LETTER

Dear Members,

By this time, we hope you've planned to attend the Seminar, July 18, Saturday, 9:00 a.m. to 4:30 p.m., Pi Kappa Alpha National Headquarters, 577 University. Please make checks payable, Tennessee Genealogical Society, Box 12124, Memphis, Tennessee 38112, \$3.00. This fee includes lunch catered by Robilio's. Hostesses will be Chairman, Thelma Wilson, Alyce Garson, Jewel Standefer and Katherine Young. Jessie Webb, Vice President, is in charge of the Seminar.

We wish to take this opportunity to thank the Pi Kappa Alpha Fraternity for their generous cooperation in extending to us the use of the lovely rooms at the Fraternity house. We are proud to be associated with them. Deadline for registration is July 16. We are pleased Mr. Leon S. Hollingsworth will be our speaker—his subject, "Migratory Patterns into and out of Georgia," with related subjects. Mrs. Hollingsworth will be our guest also. We look forward to their visit with us.

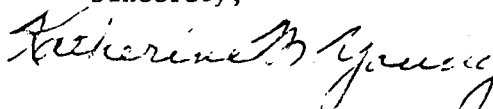

On April 20, Monday evening, Mr. Jas. L. Garthright, spoke to us on "Legal Terms in Old Records." It was interesting and entertaining. We wish to express our appreciation to Mr. Garthright for sharing his busy schedule with us.

Mr. Hugh B. Johnston, Jr. of Wilson, North Carolina, has accepted our invitation as our guest in 1971 provided he doesn't teach summer school.

At a recent "book exchange" meeting, we were delighted to have Miss Reba Orman, Head, Local History and Genealogical Section, and Mr. Nathan Josel Jr., Head, History Department, visit us. We planned a "group visit" to Cossitt Library. We feel the necessity of learning how to use the card catalogue and indexes. Once we have familiarized ourselves with the files, we can easily locate a book on the shelves. We will keep you informed on further developments. It is appropriate at this time to mention the growth of our library system here in Memphis and our association with them. When the building is completed at McLean, one floor will be devoted to History and Genealogy, with a trained staff; Thus making the library one of the finest research centers in the south. We might add that many out-of-town subscribers may find it interesting and inspiring to learn that the Tennessee Genealogical Society, formerly Memphis Genealogical Society, was founded by a small group of dedicated people of forethought. At first, on a small scale, they placed genealogical books in Cossitt Library through the sale of "Ansearchin" News. Since then, many volumes have found their way to the shelves of Cossitt. We aspire to follow their concepts and continue to grow in stride in our future association with the Library. The charter members first met in the homes of the members. For a long time, this was continued. Now we meet every third Monday at the Pi Kappa Alpha Fraternity House at 10:00 a.m. till 4:00 p.m. every month excepting January, April, July and October, then at 7:30 p.m. at McLean Library. Charter members: Virginia Brooks, founder and first President; Nancy Caradine, Evelyn Brooks, Mary Deupree, Ruth Warner, Wilena Bejach, Bertie Bates, Helen Carney, Melville Page, Frances Clark, Ruth Hooker, Sadie Maxwell, Margaret Ayres, Lelia Reynolds, Grace Love, Laurence and Lillian Gardiner, Jennie Allensworth, France McKitrick, Betty Cartwright, Louise Widman, Margaret Bell, Wilma George, Cleo Scott, Nellie Ayres and Ruth Duncan.

Our Treasurer, Mr. Caya Phillips, and Jewel Standefer, Editor, report we have had excellent response in both departments. Mrs. Henry Crymes has been elected to the office of Librarian. A book, "The Plantagenet Ancestry," has been placed in the Library as a memorial to Ruth Henley Duncan and "Living Descendants of Blood Royal" by Count d'Angerville in memory of Margaret McNeill Ayres. By the time you receive this issue, many of you will be on trips doing research. I wish you happy hunting and good luck.

Sincerely,

Katherine McGinnis Young

NOTES FROM THE EDITOR'S DESK

The staff of "Ansearchin'" News expresses its sincere appreciation to Miss Mary Rowe Ruble, Historian of Cocke County, Tennessee, for her contribution of the only extant record book left in the county after the courthouse burned in 1876. Miss Nancy Lampson prepared the deed manuscript which is of such importance to those doing research in that area that we are omitting, this issue, the Yellow Fever Deaths in Memphis, 1878, and the West Tennessee Land Grants. The compilation of these Cocke County data provides our readers with a new and fulsome history of persons living in that portion of East Tennessee. The indefatigable researcher on this project has been Mr. T. P. Hughes, Jr., to whom we owe a debt of gratitude.

*** CORRECTION ***

One of our subscribers, familiar with the Madison County, Tennessee records, has brought to our attention an error in deciphering, from microfilm, a name listed on page 61, 1840 Census of Madison County. This name read as Robert J. Cluster should be Robert J. Chester. Mr. Chester was the prominent citizen whose name was given to the new county of Chester in 1875. Please correct your pages so that this eminent gentleman will be included.

BOOK REVIEWS

Reviewed by Herman L. Bogan

NORTHUMBERLAND COUNTY VIRGINIA WILLS AND ADMINISTRATIONS 1713-1749, compiled and published by James F. Lewis and J. Motley Booker, M.D. (1967), 217 pages, soft cover, index with over 600 family names. Order from J. Motley Booker, M.D., Lottsburg, Virginia 22511. Price: \$10.50.

Many of the family names listed in the 35 page index are later found in other Northern Neck Counties and other parts of Virginia, Maryland, North Carolina and other states. The authors state that although certain record books have been lost, the order books still exist and evidence of wills once extant are noted therefrom. Some of the lost wills have been found and are included in full. Long abstracts of wills are given. The book is printed on permalife paper and is well done in all aspects.

A CHRONICLE OF TWO PIONEER FAMILIES. THE BENTONS AND THE TAYLORS OF THE NORTH CAROLINA BACK COUNTRY, by Alma Cheek Redden (1969), 59 pages, soft cover, index. Order from the author, P. O. Box 851, Hillsborough, North Carolina 27278. Price \$4.00.

This book is written principally to give the North Carolina background of the Family of Thomas Hart Benton, the first Senator of the State of Missouri. It is a chronicle of two families whose pioneer founders, Samuel Benton of Oxford and John Taylor of Chapel Hill, settled in the Back Country of North Carolina prior to the American Revolution. Of interest to genealogists will be the source materials-records preserved in the North Carolina Department of Archives and History and county courthouse documents, specifically land grants, deeds and wills. County seats from which material was obtained were Caswell, Edgecombe, Granville, Halifax, Johnston, Orange, Wake and Warren Counties. It is an interesting and well written history of two pioneer families.

ONCE UPON A TIME IN RIVES, by Alberta Kitchell Allen (1969), 117 pages, soft cover, no index or table of contents but well organized. Order from the author, Rives, Tennessee 38253. Price: \$3.26.

A history of Rives, Obion County, Tennessee. It is the story of a town a little more than one hundred years old. Compiled from previously published history, old newspapers, town and school records (there are over one hundred pictures), and from information as related by the older citizens, some of which had been handed down to them by their parents. The little book recalls pleasant memories of the people, their houses, businesses, churches and schools, all of which are so typical of rural Tennessee. Here you may rediscover your home town and its people.

NEWSPAPER GLEANINGS, RANDOLPH COUNTY, INDIANA 1873-1883, PART I, by Katherine Wilke (1969), 89 pages, soft back, index. Order from the author, Route 3, Box 138, Union City, Indiana 47390. Price: \$6.00.

Information from original papers in the Union City Public Library such as: deaths, marriage licenses, weddings, anniversaries, court-house items, etc., listing of people living in and around the cities of Deerfield, Saratoga and Randolph in the 1847 Atlas, individuals living in or near the city of Winchester from the 1874 Atlas, and names of persons of Wayne Township given in a 1909 Plat Book are included in the book.

1820 FEDERAL CENSUS OF NORTH CAROLINA, VOLUME II, ASHE COUNTY, by Dorothy Williams Potter (1970), 40 pages, soft binder, index. Order from the author, 804 Westwood Drive, Tullahoma, Tennessee 37388. Price: \$3.25.

Ashe County, formed in 1799 from Wilkes County, was named in honor of Samuel Ashe, a Revolutionary Patriot, superior court judge and governor of the State. The county, in the northwest part of the state, touches Tennessee and Virginia. Jefferson is the county seat. An 1820 and a current map of North Carolina are provided in a face to face position for easy comparison. This book would be of great value for those who have trouble with microfilm. This is one of a series of similar publications involving other counties of North Carolina.

ANCESTOR HUNTING, by Mildred deWeir Smith Watkins (1969), 945 pages, cloth bound, indexed by Juanita Ryland Rembert. Order from publisher, Claitor's Publishing Division, 3165 S. Acadian at I-10, P. O. Box 239, Baton Rouge, Louisiana 70821. Price: \$15.00 until 1971, \$17.50 thereafter.

The book is a complete reprint of more than three hundred columns from the Shreveport Journal, March 1963 through December 1968. The extensive index, 90 pages, of more than nine thousand surnames and the nationwide circulation of **ANCESTOR HUNTING** should make this book of interest to genealogists around the nation. It is an impressive volume.

HISTORY OF OLD TISHOMINGO COUNTY, MISSISSIPPI TERRITORY, by Fan Alexander Cochran (1969), 377 pages, offset printing, hardback, index. Order from Mrs. Paul R. Cochran, 3200 N. W. 35th Street, Oklahoma City, Oklahoma 73112. Price: \$12.50.

A review of the story of Old Tishomingo County, Mississippi Territory, from the date of its surrender by the Chickasaw Indians to the year 1870, found in old newspapers unearthed from trunks, chests, attics and records from newspapers published soon after the turn of the century. The names of settlers, marriage records, names and rank of Confederate soldiers, biographical studies of prominent men of the times and interesting items about the settlers and stories of events are retold. If any of your ancestors stopped a while here, this book is a mine of precious gems and gold for you. Much material has been documented. A very good book.

THE POWELL FAMILIES OF VIRGINIA AND THE SOUTH, compiled and published by The Rev. Fr. Silas Emmett Lucas, Jr., (1969), 584 pages, hard back. Order from Georgia Genealogical Reprints, 405 Virginia Way, Vidalia, Georgia 30474. Price: \$15.00.

The author of "The Powell Family of Norfolk and Elizabeth City Counties, Virginia," has done with this book in a far more comprehensive way, what he did for The Dodson Families. The present book is an Encyclopedia in every sense of the word and a must for anyone doing Powell research. There are eight (8) sections (Volumes?), each dealing with a major branch of the Powell family and their distribution by counties in the states of the South.

BIOGRAPHY, ANNOTATIONS AND INDEX OF RAMSEY'S ANNALS OF TENNESSEE. Over 110 pages, soft binder. Order from The East Tennessee Historical Society, Lawson McGhee Library, Knoxville, Tennessee 37902. \$5.00; to members of the society, \$3.00.

A biographical sketch of Ramsey by Dr. William H. Masterson, annotations (corrections of erroneous material in the original **ANNALS**) by Dr. Stanley J. Folmsbee and a new and expanded index are included in this **SEPARATE**. Owners of early editions of Ramsey's **ANNALS OF TENNESSEE** will find this a valuable tool in their research.

WILLIAM BOYDSTON
Revolutionary Pension Application #S-30-11

Cocke County, State of Tennessee

On this 27th day of May 1832, personally appeared before the Justices of the Court of Pleas and Quarter Sessions, for the County aforesaid, William Boydston, a resident citizen of Cocke County, who after being duly sworn made the following declarations in order to obtain the benefits of the Act of Congress passed the 7th of June 1832. That he is aged eighty years, was born in Frederick County, Maryland the 24th of March 1753. That his father emigrated to Hampshire County, Virginia when he was small, where he was principally raised, and again removed into Montgomery County, Virginia where he resided until 1776 when the Shawnee and Cherokee Indians were in hostility. In June 1777 declarant volunteered under Capt. Patton and enrolled at Fort Chapell. In 1780 he removed from Virginia to Washington County, N.C. and settled on the Nolichucky. In October he was drafted under Capt. Dougherty, marched through the mountains to join General Marion and was under his command until the operation of his term of time. He volunteered in 1781 under Col. Sevier in Capt. Allison's Company. In which four several terms as set forth he served fourteen months, for which he claims a pension or annuity. That he has lost, in the lapse of time, all his discharges and knows no one by whom he can establish the actual service, nor has he any documentary evidence. There are no citizens of his vicinity known to him, and he to them, by whom he can establish reputation of his service, there being no resident Minister of the Gospel in his vicinity by whom he can establish the same.

He hereby relinquishes his every claim whatever to a pension or annuity except the present and declares that his name is not on the roll of the agency in any other state. Sworn to and subscribed in open court 27 May 1833 s/William Boydston.

We, John Fugat and William Boydston, resident citizens of Cocke County, Tennessee, certify that we are well acquainted with the said William Boydston; that he resides in our county; that we believe him to be eighty years of age and that he is reputed and believed, in the neighborhood of our residence and his, to have been a Revolutionary Soldier, and that we concur in that opinion.

And the said Court do certify that after the investigation of the matter and interrogation prescribed by the War Department that we are satisfied that the said William Boydston was a Revolutionary Soldier and served as he states. We do further certify that John Fugat and William Faubion who have made the above affidavit are citizens of Cocke County and are reputable and their statements entitled to credit. Sworn to and subscribed in open court 27 May 1833.

ELISHA T. CONDLEY OBITUARY

Contributed by Mrs. Ross B. Johnson, Jr.

(Copied from "The Index," page 3, November 11, 1897, Published in Hermitage, Mo.)

Died, at Cross Timbers, Missouri, after an illness of about three months, Elisha T. Condley, aged 83 years. Mr. Condley was born in Halifax County, Virginia, Nov. 21st, 1814, and moved with his father Anderson Condley to Giles County, Tennessee, in 1830, where he was married in 1837 to Miss Elizabeth Beck, which bond existed until death separated them by claiming his most amiable and loving companion in February 10th, 1897. Mr. Condley came to Missouri to look for a future home for himself and young wife in 1838, and visited the Queen City of the Ozarks when it was but a very small village having only one small general store, a blacksmith shop and a few cabins. After having decided to emigrate to Missouri, Mr. Condley returned to his home in Tennessee and made arrangements to move the next spring and in the spring of 1839 he came to what was then Benton county and settled on the ridge about five miles northeast of Quincy where he resided till the spring of 1847, when he moved to the place which is still known by his name on Turkey Creek, in South Benton County, where he resided till the spring of 1873, when he removed to Cross Timbers, Mo.

Mr. Condley was a past master in the Masonic fraternity and a member of the Christian Church, having united with the church in 1853, and lived a consistent and faithful Christian life until claimed by death at which time he was an Elder in the church at Cross Timbers.

Mr. Condley was the father of five children, two sons and three daughters. One of his sons, Beverly, died when a child but four years old, and Calvin M., died of small pox at St. Louis, Mo., in 1864 while serving as a soldier in the United States Army, and who was twenty-one years old at the time of his death. The three daughters, Mrs. Ann E. Williams, wife of V.S. Williams; Mrs. Mary Ihrig, widow of Jno. B. Ihrig; and Mrs. Martha Rhea, wife of Eli T. Rhea, survive to mourn the loss of a kind and loving father, who has gone to rest and to reap the reward of a well spent life and who might well have said, "I have fought a good fight, I have finished my course, I have kept the faith, henceforth there is laid up for me a crown of righteousness, which the Lord the righteous Judge shall give me at that day. I have not within the dark vale to abide, 'tis but to walk through to the opposite side; and men the shadow, no darness can wear, Since Thou, blessed Jesus, will shine on one there. There, under Thy shadow my soul finds its rest; and dwelling in Jesus, I know I am....." (end of quotation missing).
